

# Outkast, Red Velvet

[Big Boi - talking]

One more time for y'all, y-y-yeah, huh  
If you didn't know you know now, OutKast, Stankonia  
We shittin on everybody talkin that bullshit

[Big Boi]

Now Peter Piper picked a pepper, that was his downfall  
I'm down with Dre 3000, 'cause he got my back y'all  
Ball if you want to, but do it with some class G  
Ask me, do OutKast got some flows so you can blast me  
Nasty, niggas on the point they see you shinin  
Engi-neers in the studio see me rhymin  
Don't get me wrong, got four albums they consistant  
You got a bodyguard, I let my nigga tote the biscuit  
Twist ya cap back, you got blood off on ya fur hat  
Cap, cap, ya link snap, you slump off in ya Cadillac  
But what though, some diamonds and a Bentley what you dyin for  
Aight hoe, I'ma bake my cheese and let my mic flow  
Prioritize to live through  
Tell these other niggas how you bought yo' kid some tennis shoes  
Let these brothers know that your momma she got her house too  
Let these niggas know that your sister will, uh, finish, college without you  
I doubt you do that though,  
so do this here and keep that bullshit out of our ear  
You too near me to not hear me, too open conceal me  
The love for the music keepin big boys spittin really

[Hook]

'Cause they know where you live and they've seen what ya drive  
And they say they gonna put one in your helmet  
'Cause you brag 'bout that watch, and all them things that you got  
Them dirty boys turn your poundcake to red velvet

[Dre]

How can you measure a nigga by multiple figures he may got, got, got  
Had he not purchased the newest Mercedes that lose it's value soon as you  
drive that bitch off the lot, lot, lot  
Would it still be that latest, most wanted, doggonit you want it  
He got it-type nigga 'round the town, town, town  
Had he not played it so flat,  
he ask you when half of these niggas hurtin and workin  
Would be he be found, found, found  
In a ho-tel (ho-tel) ??? ???  
With his dick shoved in ??? ???  
Bill Gates, don't dangle diamonds in the face  
Of peasonts when he Microsoftin' in the place  
You gettin on my nerves, well I'm gettin on your case  
Consider your surroundings or you leave without a trace

[Hook]

[Big Boi]

I know you got the biggest bank roll and you ballin  
Follow the heater because the leader he is haulin  
Ass like Juan Valdez, I think he scared  
'Cause my nigga Khujo Goodie got that ??? to his head

[Dre]

Little did he know that waiting in the closet  
No matter what you call that, playboy sure got ???  
Don was the one who came in contact  
With those with slow goals who prompt to sell crack  
On this megaphone, hey look where I'm on  
You off, he floss hard 'cause he celebrate the fact

Little bitty ???, lurkin in the closet  
No matter what you call that, playboy sure got ???

[Hook 2x]
