

# Outlandish, Reggada

(feat. Taibi, Dany Rai)

Yeah I got all my moros up in here tonight  
Gon' celebrate a brother is getting married - that's tight!  
I just got off work and I'm ready to eat  
Ain't dressed nice  
Guess it's the thought that counts, kid  
Now pass that chicken with zitoun, eggs and djuzz  
Fresh bread for me, fresh bread for u  
Followed by the tea with na3na3 and suga  
Shout out to the mothers who are behind this dinner  
Let's go!

Lalla jibi lbalgha l moulay sultan  
Mamma oujdi djellaba ou selham  
Lalla serjou aoudi ou aatiouni lejam  
Mamma laarfa laaba ou lbaroud kheddami  
Lalla saadi tayehni felli nebgghi  
Rani khayef nrouh ma nouelli  
Lalla zahri tayehni fi bent ennass  
Mamma dertha fi galbi warda fi lkass

[Translation:]  
Bring slippers for the bride  
Prepare djellaba and the jacket  
Saddle up the horse and hand me the bridle  
The music plays and everybody is dancing  
With my fortune I'll meet the one I love  
I'm afraid to leave and never come back  
With my fortune I'll fall for the girl  
I took her to my heart like a rose in a vase

We got all my moros in here  
And we'll be ready to eat right  
Put your hands up way high  
Now where's the bread at

We got all my moros in here  
And we be ready to eat right  
Put your hands up way high  
Now where's the bread at

Corazones palpitando esta noche estamos congregados  
Esta noche estamos celebrando esta fiesta  
Mgica, potica  
El pacto eterno respeto a la vida le da  
Apartir de ahora, Comienza otra vereda  
Lecciones de otro tipo, besos sin fronteras  
Las miradas de cario, pegadas al cielo ya se pueden quedar  
Ya ests tienen quien les tienda la mano al pasar

[Translation:]  
Hearts beating, tonight we come together  
Tonight we're celebrating this reunion  
Magical, poetical  
The everlasting pact pays respect to life  
From now on it takes a new direction  
With new kinds of lessons and limitless kisses  
Looks of affection are forever pasted to the sky  
'Cuz now they have someone to be carried by

The weddings over  
We got one thing to go  
Everyone jump in your cars  
Hit the road  
Bride and groom in front  
20 cars behind  
Ain't gon' overtake us man take u time  
Windows down music high  
Disturbing the night  
All the cars got emergency lights  
Even the police ain't givin' us trouble  
We started out 20 and now the number is doubled

We got all my moros in here  
And we'll be ready to eat right  
Put your hands up way high  
Now where's the bread at

We got all my moros in here  
And we be ready to eat right  
Put your hands up way high  
Now where's the bread at...
