

# Outlawz, There Goes Another Love Song

Sometimes I feel like I'm getting kinda low  
Thoughts that I'm thinkin' are the reason I know  
So I try to remember, without talkin' to myself  
Things that I said or maybe things that I felt about you  
Sittin' in a corner of a crowded bar room  
People all around me and I still feel alone  
Just when I know I'm gonna break down and cry  
Someone plays a tune that dried the tear from my eye

There goes another love song  
Someone singin' about me again  
There goes another love song  
Now I need more than a friend

Lonesome and lonely, far from my home  
Tryin' to get back to where I know I belong  
Wishin' and hopin' I was already there  
I just heard a voice whisper in my ear

Chorus x2

I said (Chorus)
