

Outsiders, Time Won't Let Me

I can't wait forever
Even though you want me to
I can't wait forever
To know if you'll be true

CHORUS

Time won't let me, oh no
Time won't let me, oh no
Time won't let me wait that long

Can't you see I've waited too long
To love to hold you in my arms

CHORUS

I can't wait forever
Even though you want me to
I can't wait forever
To know if you'll be true

CHORUS

I can't wait that long
I can't wait that long
I can't wait that long
Don't wanna wait that long
Not gonna wait that long
For you lovin' baby baby
Not gonna wait that long
