

# Over It, Sebastian

Goodbye my friends I have a girlfriend I won't be seeing you now.  
Hope that I can make it on my own because I know.  
I can't be all you need me to be here.  
I took ten steps when we only needed one.  
But still I'm wrong that already said and done.  
Here I am to face the day and here I am to play this daily game that we play now.  
I never understood just why I can close my eyes and still find my way home.  
I guess that with them open I would still fall anyway.  
Well I do think you only want what's best for you.  
Your conversation is pushing me aside.  
It's still been fun on this condescending ride.
