

Over It, Serial Kisser

Would you hear me if I told you I was scared ?
If it were up to me I'd run and leave these choices feeling unprepared
So many questions, can't we get some answers yet?
So much to work out, can it fit what's in my head?
Is anybody listening yet?
Lets take this back to zero.

SO HEY! Would you save us now, or would you save yourself?
Kick away some kind of normal lay it on the shelf.
Just think, one good idea is all it takes
To nurse a wounded world
This time I'll make the answer mine.
...I think we'll figure it out.

Is it wrong to think
Your universe is listening?
Is it wrong to think you can amount to more than just for kicks?
The older I grow the clearer it becomes.
She likes your charms, understand she's just a serial kisser
Share what you care to believe and trust that she'll offer you her arms.
