

# Over The Rhine, Daddy Untwisted

are you my daddy  
are you  
I don't wanna cut you up  
drink you from a paper cup  
I don't wanna spit you out  
or kick you in the shin  
I don't wanna knock you down  
be your mother  
be a clown  
I don't wanna talk about  
the shit you're really in  
I don't wanna take a bow  
now one's clapping anyhow  
I don't wanna sneak around  
and pray you'll understand  
I don't wanna call your bluff  
enough's enough  
I don't wanna see you  
chained up

I don't wanna ruffle you  
cut the deck and shuffle you  
don't wanna come to fisiticuffs  
or stick you with a pin  
I don't wanna argue  
hurt your pride  
or make you blue  
your tongue is forked  
and clearly  
there are scales upon your skin  
I don't wanna help ice crack  
give you a surprise attack  
I don't wanna cut you slack  
and watch it go to hell  
I don't wanna tell you lies  
like presbyterians or spies  
I don't wanna see you  
chained up

don't you run away  
leave me like a rainy day  
I don't wanna make you stay  
or stand up high above you  
don't want you to see me cry  
I'm just trying not to lie  
I don't wanna see you  
chained up
