

Over The Rhine, Entertaining Thoughts

I've been entertaining thoughts
Of what I wanna say to you
I've been entertaining thoughts
Of what I'm gonna do
I've been saving what I got
And wondering who to give it to
I've been entertaining thoughts all over you

The ways this works is so mysterious
If it gets much worse it's called delirious
If I were mad I would be furious
But this could be so much more than
Just another euphemism for

I've been entertaining thoughts
Of what I wanna say to you
I've been entertaining thoughts
Of what I'm gonna do
I've been saving what I got
And wondering who to give it to
I've been entertaining thoughts all over you

You smoke your cigarette and wonder if it's happened yet
The heavens slowly part and you ascend
I wish that I could say that I'll have no regrets
But I may have one or two
Or three or four more than you

You will never even know
Till it his you, fool, ooh
I've been entertaining thoughts all over you
