

Overhead, Handsome Machine

There are silly signs
That make obvious
Like "I want to see
A real bad girl"
But you keep beggin'
The steady hive
The handsome machine

Hello, hello, I'm scared for your short-term reality
Hello, hello, you've got to be lookin' over

Don't fall into
Your own love hatch
Like "I want to see
A real sad boy"
It looks like
The perfect lode
The handsome machine

Hello, hello, you know that's a short-term reality
Hello, hello, you'd better be lookin' over
This burnin' passion your heart's in
Leads to detention, this art within
