

Overkill, Rotten To The Core

I have got a secret, hidden behind my eyes
A violation tragedy of violence hate and lies
Locked deep within a chamber, dark recesses of my mind
A tribute to insanity through hours days and time

Rotten to the core

Recite the testimonial, truth and nothing more
Accusations nominal Fall rotten to the core
So take a look, read a book, reach a new plateau
But stain the soul a life you took
You know not what I know

Rotten To the core

Misguided youth the bitter truth
Nothing left to chance
Fallen angel seeking adventure, new romance
How dare you touch you take the soul
Of one so pure so white
The violation tragedy
Took all she had that...night

Rotten to the core

I have got a secret hidden behind my eyes
A violation tragedy! of violence hate and lies
Recite the testimonial, truth and nothing more
Accusations nominal fall rotten to the core

Rotten to the core
To the core!

Rot, rot, rot, rot, rot
Rot, rot, rot, rot, rotten! Rotten! Rot!
To the core!!!
