

Overstreet Paul, Lord She Sure Is Good At Loving

Lord, I know I prayed you'd take away the loneliness I knew
My wildest dreams could not conceive the work your hands would do
It feels so good to fall asleep in her arms every night
Leave it up to you to do things right

CHORUS:

Lord, she sure is good at
loving me

I know you had a hand in this

'Cause it's been so plain to see

Then I've been blessed with the very best

That love will ever be

Lord, she sure is good at loving me

I know that I may never find a way to repay

The gift of love you gave to by me sending her my way

The very best that I can do is less then you should ask

But I'll do the best I can to make love last

(REPEAT CHORUS)
