

Overstreet Paul, Till The Answer Comes

CHORUS: Till the answer comes you gotta keep praying

Keep praying, keep praying

Till the answer comes you gotta keep praying

Keep praying till the answer comes

If you knock one time and there's no answer

Well, don't walk away from the door

You've got to knock again until you've been let in

Sometimes it only takes once more

(REPEAT CHORUS)

Sometimes you might be on your knees for hours

Before the light finally comes breaking through the dark

But if you truly believe, then His power can breath

Life into any troubled heart

(REPEAT CHORUS)

(REPEAT VERSE ONE)

(REPEAT CHORUS)
