

# Overtime, Don't Tell Me feat. Krizz Kaliko

I done seen the skies split seven ways  
I've been at the top and I've been down the way  
I've been broke down and I've been in the way  
But I'm still here so what's that to say  
I'm in fight mode and then flight mode  
And then hype mode and then night mode  
And I might mode cuz I don't know if I'll make out of this fight Lord.  
So which way do I sail away?  
Fade in time or walk away?  
I'm just tryna stay above the water from them rainy days.  
I've paid time to be on my way  
With all my bags, on a long highway  
I'm just tryna stay inside the markers on the interstate.  
And I never look back cuz it never felt good, to be stuck in the past  
And I never wanna know what it's like to be loved but it's never gonna last  
So I stay to my own on a road that I know, with the pedal on smash  
And I play the song and get gone.

Don't tell me I been wrong  
Cuz I don't know what's right  
I'm living in a sad song that keeps me up at night.  
And I've never all alone cuz I'm always in my mind, and it's feelin like a war, that I never wanna fight  
It's a never ending cycle, maybe I'm a psycho, every single night though, I'm always in my mind so  
Don't tell me I been wrong  
Cuz I don't know what's right  
I'm living in a sad song that keeps me up at night.  
Don't tell me I been wrong

Tell me I've been wrong it's cap. Mama say use your thinkin cap.  
What I say al' just bring me back to da cross roads where I'm lost in the sauce I don't see no map  
N-I smoke my pain away but it's a slow burn.  
Everyone sees me fade away my families concerned.  
I do it by my lonely And don't let no one in.  
Nobody console me and prayin' it's the end.  
I'm torn and they can't sow me and nobody can mend.  
Screamin' at the church is it somebody u can send.  
Cause I feel like it's hell smilin' nobody can tell.  
I'm on my knees prayin' so much it's lookin' like I fell.  
An I don't wanna keep writin' sad songs makin' me feel bad.  
Hidin' cryin' eyes from my baby GOD please come and bless his dad.  
Don't tell me I been wrong

Don't tell me I been wrong  
Cuz I don't know what's right  
I'm living in a sad song that keeps me up at night.  
And I've never all alone cuz I'm always in my mind, and it's feelin like a war, that I never wanna fight  
It's a never ending cycle, maybe I'm a psycho, every single night though, I'm always in my mind so  
Don't tell me I been wrong  
Cuz I don't know what's right  
I'm living in a sad song that keeps me up at night.  
Don't tell me I been wrong
