Oh, I could just leave things
A lot more easily than you'd think
'Cause I've been known to retreat
Every few years
So what am I waiting for
Oh, it's sad

Then youngness of my young man shows
So please accept my apology
And wait with me
Oh, I could just die now
And no one would really have to find out
'Cause I've been lying down for years
So what am I waiting for
Oh, it's sad
I see another man who I wanna be
Sympathy, honesty
God knows I'm trying
Sympathy and honesty
God knows I'm trying
Sympathy, honesty
God knows I'm trying
Sympathy and honesty
God knows I'm trying
Sympathy, honesty
God knows I'm trying
