

Owen, You Should Do It Now While It's On Your Mind

It's your last chance to change things.
I know you've been getting by,
but I saw you at the party without a
drink in hand
or a word in mouth.

Nothin' to do
or talk about.
Poor skinny fat kid
without any interest in
making friends.
It's not easy
being (?),
it's not easy being..

Uh oh go.
Oh no go on.
Oh go on no.
Go on.
