

# Owl City, When Can I See You Again

Switch on the sky and the stars glow for you  
Go see the world because it's all so brand new  
Don't close your eyes because your future's ready to shine  
It's just a matter of time before we learn how to fly  
Welcome to the rhythm of the night  
There's something in the air you can't deny  
It's been fun but now I've got to go  
Life is way too short to take it slow  
But before I go and hit the road  
I got to know, till then when can we do this again?  
When can I see you again?  
When can we do this again?  
I got to know, when can I see you again?  
Joined at the hip, yeah, your sidekick needs you  
Life is a trip on the road that leads you  
Look all around at the mountains you haven't climbed  
It's just a matter of time before we learn how to fly  
Welcome to the rhythm of the night  
There's something in the air you can't deny  
It's been fun but now I've got to go  
Life is way too short to take it slow  
But before I go and hit the road  
I got to know, till then when can we do this again?  
When can I see you again?  
When can we do this again?  
I got to know, when can I see you again?

Don't close your eyes because your future's ready to shine  
It's just a matter of time before we learn how to fly  
Welcome to the rhythm of the night  
There's something in the air you can't deny  
Let me know before I wave goodbye  
When can I see you again?  
When can we do this again?  
When can I see you again?  
When can we do this again?  
Yeah, it's been fun but now I've got to go  
Life is way too short to take it slow  
But before I go and hit the road  
Tell me when, when can I see you again?  
When can I see you again?  
When can I see you again?
