

# Oxide & Neutrino, Rap Dis

Playa haterz wanna knock this  
Stop this  
Then niggaz can't stop this  
I've got just another person on my hitlist  
So you dismiss, No witness  
No business, 'cause I Swiss this  
If you knew what I thought you would shit bricks  
I got big hits  
I've got dough  
I didn't even really need to rip dis  
But the flows are addictive  
Are you feelin' tha vibe that I give dis?

[chorus]

You can't stop dis shit you know  
We got chicks, ice, platinum whips & 2 much dough(?)  
If u wanna try and have a go  
There's 25 of us each loaded with a gat  
Hey Neuch & kaish i got a ya back!

[Neutrino]

Stuck in...  
People from school data fink they're 18  
What's the funniest thing I've seen?  
Too explicit so buy the CD  
It's censored, cus it's too cold!  
Too cold- S-Club 5...  
"Don't stop moving"  
I stop every time I 'ear your music.  
How the fuck you get caught like data?  
Cannabis, more like smoking crack!  
I'm sick these fake MC's, sounding' like Mr Blobby  
Ski-bi-di-bi-di-bi-di  
Wot da fuck you on, LSD?  
Everything is bigger difference  
Find out the price, get vexed  
And then your wifey's, up at da T.V.  
Wantin' Neuchy, Creamin' her panties-  
And wen u diggin her in bed, she picturin me!  
I dare ya this ma bout gettin' gettin' jacked  
Or I'll break in your house, when I'm dressed in black,  
and I pull out ma gat!  
Strip ya naked, take your possessions,  
Then us gettin' jacked, JACKED?  
I shot myself in the leg,  
cuz I'm fucking crazy like dat! (Crazy like dat...)

[DJ Swiss]

Everytime I make ma dough  
Then I make ma dough  
Ya can't hit ma dough ya know  
I'm gonna make sure I let you know that when I spit my flow  
It's for my hits that blow ya know  
I'm gonna make you know that when we lock down shit  
haryvey gonna blow

[Harvey]

So Solid gonna wreck this  
Wanna rap when im out and I bust this  
To the Ph who wanna test dis

Up hose get blows when I do this  
Now'..  
The mad stress that gets in my brain  
Its never the same  
1 2  
I always take them to the game game  
The mad things that I do for this  
Forget the crisp  
Now you know why livin my life is a crisp  
I know we got nice things, and we got nice things  
Now I know why you really wanna hate man  
I know we got man, I see my gat man, nice, but still  
I don't give a damn man  
I'm gonna state all my p's and q's  
And ma 1's and 2's  
Just to get to the cruise bruise  
I'm a hit you with my lyrical chat  
Raise the Gat  
So SOLID Crew lock that  
I'm gonna hit you with my lyrical flow  
Don't you know when I'm on the mike  
making my dough ya know  
I'm gonna hit you with my lyrical vibe  
Watch the rhyme, so solid crew oxide  
I'm gonna hit you with my lyrical flow  
Don't you know when I'm on the mike  
making my dough ya know  
I'm gonna hit you with my lyrical vibe  
Watch the rhyme, so solid crew oxide

[Chorus]

[Scat-D]

Tell me somethin'  
When your rollin; and your ice and your whips  
and your trips and your pics and your team  
You gotta a lot of talk when you don't walk that way  
I heard you guys callin but I don't see ya play  
Tell me somethin'  
When your rollin; with ice and your whips  
and your trips and your pics and your team  
You gotta a lot of talk when you don't walk that way  
I heard you guys callin but I don't see ya play  
Through the years you been livin it up  
Your back but your filling it up, living it up  
It's time for my giving up, no way, no way  
So Solid made haters pray  
Pushed up before then we tumbled down the hill  
Runaway...no way...runaway...no way
