

Oxide & Neutrino, Up Middle Finger

(up middle, finger I show dem)

Chorus: Didn't wanna back we

Now they beg friend

Up Middle Finger I show them

Back in the day they didn't wanna know

they wanna dis bound 4 da reload

They wanna talk to Neutrino, no no no

they wanna dis so solid so, no no no

Didn't wanna back wes

Now they beg friends

Up middle Finger I show them

Back in the day they didn't wanna know

they wanna dis bound 4 da reload

they wanna talk to oxide oh, no no no

they wanna dis so solid so, no no no

The garage scene well it's really fucked up

Certain guys can't, won't keep their mouths shut

All they do is talk about we

Sometimes about we're novelty cheesy

Smelling your top lip stop the jealousy

What 'cos we didn't start from 1983

Oh fuck, me was in my nappy

Did I mention we're only 18

Carnival '99 DJ's put up a list

Telling others DJ's not to play this

But when I asked a certain DJ why

He gave me a sharp reply

later a bitch said to me

We'll never make it with casualty

Ha ha ha, he he he

Now the silly bitch wants to

Try an hire we

Chorus

Certain guys can't face the fact of what we've done

Sold over a quarter of a million

Casualty went Straight to no.1

And they still wanna cus come on

Oh yeah about the Casualty theme

Well no one controls the scene

So you do what you want

and what you like

and you do what you please

Yeah guys want to cuss our tunes say it's

Think other people don't like it

but boy we don't care

And we got something for you

This is DJ Oxide myself playing in

Front of about a hundred thousand people

Listen to this

When I say you say

We say they say

Make some noise

When I say you say

We say they say

Make some noise

When I say you say

We say they say

Make some noise

When I say you say
We say they say
Make some noise

Chorus

Hey that woz Oxide and Neutrinoooo
