

# Oxymoron, What's Going On

More shitty venues shooting from the ground  
while the cool places all are closing down  
subculture&ocirc; wiped out systematically  
but wee not gone if you drive us away

Anger&ocirc; rising, how surprising...

[Chorus:]

What the f\*\*k is going on here  
Where to go, say, where to go ?  
Youe scared us off but wee still out there  
What&ocirc; up, man ?  
What the f\*\*k is going on here  
Where to go, say, where to go ?  
This scheme of yours ain getting nowhere  
What&ocirc; up anyway ?

Punkrock&ocirc; banned, &quot;skins don get in here&quot;...  
It&ocirc; getting hard to set up gigs somewhere  
Our cities dying through the council&ocirc; hand  
where once we went to now there&ocirc; fallow land

Tidy nation operation

Your townscape suffers from the likes of us  
Did you expect us to be off so fast ?  
You can take away our clubs and tear them down  
but you ain rid of us ?wee still in town...

Youe gonna get your f\*\*king doors kicked in
