

# Ozark Mountain Daredevils, Beauty In The River

there's a beauty in the river

there's a beauty in the stream

there's a beauty in the forest at night

when the lonely nightbird screams

and there's so much time for singin'

and so much time for words

there's so much time to listen

and so much time to be heard

we must all stand in the water

we must find it when we roam

it don't matter what is said

we can wake up from the dead

and roll away the stone

we can roll away the stone

(2 HARPS SOLO)

there's a brighter day round the corner

there's a crown behind the hill

there's a city of light on that foggy mountain top

where the wind is never still

and there's so much time in livin'

and so much time to die

there's so much time for laughin'

and so much time to cry

we must all stand in the water

we must find it when we roam

it don't matter what is said

we can wake up from the dead

and roll away the stone

we can roll away the stone

(2 HARPS SOLO)

there's a truth in the eyes of my woman

that no mortal ever knew

she lights my way like the coming of the day  
when the sun shines on the dew  
and there's so much time for singin'  
and so much time for words  
there's so much time to listen  
and so much time to be heard  
we must all stand in the water  
we must find it when we roam  
it don't matter what is said  
we can wake up from the dead  
and roll away the stone  
we can roll away the stone (hallelujah)  
we must all stand in the water  
we must find it when we roam  
it don't matter what is said  
we can wake up from the dead  
and roll away the stone  
we can roll away the stone (lord lord)  
we must all stand in the water  
we must find it when we roam  
it don't matter what is said  
we can wake up from the dead  
and roll away the stone  
we can roll away the stone
