

# Ozark Mountain Daredevils, In The Day, In The N

(GUITARS INTRO)

oooooooooh

oooooooooh

Just when it's all blown away

Just when there's nothing to say

Just when I'm lost and alone

Just when I'm so far from home

I feel your guiding light in the day, in the night

oooooooooh

oooooooooh

And when I walk down the street

There is a secret that I keep

It's never new, it's never old

It's so much brighter than gold

I feel your guiding light in the day, in the night

(In the day, in the night) I'm callin'

(In the day, in the night) I'm fallin'

(In the day, in the night) I'm bawlin'

(In the day, in the night)

Sometimes a shadow will move

Sometimes a lie is a truth

Sometimes your lover is there

Sometimes a chill's in the air

I feel your guiding light in the day, in the night

(In the day, in the night) I'm callin'

(In the day, in the night) I'm fallin'

(In the day, in the night) I'm callin'

(In the day, in the night) I'm crawlin'

(In the day, in the night) I'm callin'

(In the day, in the night) I'm bawlin'

(In the day, in the night) Befallen

(In the day, in the night)

oooooooooh

oooooooooh
