

Ozark Mountain Daredevils, It's All Over Now

(HARP INTRO)

baby, you used to stay out, all night long

made me cry, done me wrong

hurt my eyes open, that's no lie

table's turnin', now her turned around

because I used to love her

girl it's all over now

because I used to love her

but it's all over now

well, I'm used to wake good mornin' with my breakfast in bed

I got worried she would cleave my little head

now she's hear and there

with ev'ry man in town

and still tryin' to take me

for that same amount

but I used to love her

but it's all over now

well I used to love her

but it's all over now

(GUITAR SOLO)

well, it's move on around

with ev'ry man in town

and tryin' to take me

for that same ol' clown

I used to wake up in the mornin'

feelin' just fine

not anymore

- he's there !

because I used to love her

but it's all over now

I said I used to love her

but it's all over now

I said I used to loved her

but its all over now

but I used to love her

but it's all over now
