

Ozark Mountain Daredevils, Leatherwood

If I fell off to sleep
and did not wake
would the lord
my soul to take??

And could the land that I've
know also die?
Do you think of you and
wonder why?

Down in Leatherwood
that thought we'd leave behind
Down in Leatherwood
Country love's gonna
steal your mind
and we aint never
gonna be blue.....
be blue...

Was a house all flooded by the rain
or did I once live it in a dream
of throwing all good minutes
to the sea?
Did you know the sky could
also bleed?

Down in Leatherwood
that thought we'd leave behind
Down in Leatherwood
Country love's gonna
steal your mind
and we aint never gonna be blue.....
be blue...
