## Ozark Mountain Daredevils, Road To Glory

(FIDDLE, GUITAR & amp; HARP INTRO) There's a card game in the courtyard and the winner loses all when the judge checks his supper it's so small

and the hills are grey with trouble and the dry spring gathers dust your lover's crying in the valley she lost her trust (HARP SOLO)

but there is a road to glory somehow hidden in the past behind the gold, behind the treasure behind the mask

then comes a team of four white horses and a lady with night-black hair and she looks to be such a fine one but is she really there I've gotta knoooooooow I've gotta knooooooooow
