

# Ozark Mountain Daredevils, Runnin' Out

(GUITAR INTRO)

drivin' in a hard rain  
passin' up a fast train  
runnin' out of cocaine  
gotta meet a jet plane

it may be crime but I got no time to waste  
a sad romance but I got one chance to taste

ridin' into Pine Bluff  
lookin' up a street tough  
runnin' out of good stuff  
never can get enough

it may be crime but I got no time to waste  
a sad romance but I got one chance to taste

(HARP SOLO)

backin' up a fire lane  
waitin' on a no-name  
runnin' out of cocaine  
runnin' out of everything

it may be crime but I got no time to waste  
a sad romance but I got one chance to taste  
ohhhh,  
ohhhh,
