

Ozark Mountain Daredevils, Runnin' Out

(GUITAR INTRO)

drivin' in a hard rain
passin' up a fast train
runnin' out of cocaine
gotta meet a jet plane

it may be crime but I got no time to waste
a sad romance but I got one chance to taste

ridin' into Pine Bluff
lookin' up a street tough
runnin' out of good stuff
never can get enough

it may be crime but I got no time to waste
a sad romance but I got one chance to taste

(HARP SOLO)

backin' up a fire lane
waitin' on a no-name
runnin' out of cocaine
runnin' out of everything

it may be crime but I got no time to waste
a sad romance but I got one chance to taste
ohhhh,
ohhhh,
