

# Ozma, Lorraine

Theres just one thing I couldnt find,  
One girl that couldnt be mine,  
she's in love with Calvin Klein

I knew she could have any one of these boys  
here i am playing with my baby toys  
I'm walking out but i'm just making noise

16 years and what do we get?  
Another Ex and deeper in debt  
I've done all of my time  
and placed all of my bets  
people say that our are layers of die  
but livin anint that hard if you know your alive  
let's party like its 1955

Lorraine, Lorraine,  
my destiny  
this song is over without you  
so I'm singin' this refrain to you

Theres just one thing I couldnt find,  
One girl that couldnt be mine,  
she's in love with Calvin Klein

I knew she could have any one of these boys  
here i am playing with my baby toys

Lorraine, Lorraine,

so I'm singin' this refrain to you

Lorraine, Lorraine,  
my destiny  
this song is over without you  
so I'm singin' this refrain to you  
till the till the night i realized  
I still see the world through candy coated eyes

Lorraine, Lorraine,  
my destiny
