

# Ozma, Maybe In An Alternate Dimension

Deep in the hills  
There is a hideaway  
That I built with Zack, the lego maniac  
I'm never ever gonna turn back

Maybe in Legoland you're mine  
Stop pause record fast-forward rewind  
To the beginning frame  
When I heard your name

We've tunneled through  
To the outside world  
The front guard is Link, the Zelda warrior  
I'm never ever gonna turn home
