

Ozma, Rain Of The Golden Gorilla

I see you everyday
But i tear my eyes away
Cause if you can't be mine
I don't wanna waste my time
I don't wanna waste my time

I see you now and then
But I look away again
Cause if I'm not the one you're for
I don't wanna suffer anymore
I don't wanna suffer anymore
No more

I know the end is near
It has been since the start
But still that doesn't mean
That I could keep you from my heart
That I could keep you from my heart
I couldn't keep you from my heart

The sound flowing through these cables the blood in my veins
The future can't be fate alone things can't be set in stone
Stone
Veins
