

# Ozma, Straight Flush

Music & lyrics by Brummel

No rush, straight flush  
Leave it up to me, babe  
You just wait and see, babe  
All of the hard work paying off

No rush, straight flush  
If I was the king, babe  
I'd buy you anything, babe  
Bet you won't regret giving me a run  
If you want the odds I'll give you ten to one

Well, what's it gonna be, babe?  
Play the hand you see, babe  
Bet you won't regret giving me a run  
I'm sitting on an ace, and it ain't no bluff

If you want the odds, I'll give you ten to one

No rush, straight flush
