

Ozma, The Ups And Downs

i've been cheating on you ever since we broke up
i've been dreaming about you ever since i woke up
and my hearing's disappearing ever since you spoke up

i'll devise a plot
to break your heart
think up a plan that i'll never carry out
what's wrong with you?
tell me now, what should i do?

don't let me down
i couldn't take much more of your love
don't let me down
i couldn't take much more of your love

i asked you to the show but i knew you wouldn't show up
you came to my birthday party just to tell me i should grow up
and i see another girl and i think i'm gonna throw up

so i'll devise a plan
to nuke your man
dirty tricks to come back and take command
i'll win your hand
we'll hijack a plane and we're never going to land

don't let me down
i couldn't take much more of your love
don't let me down
I couldn't take much more of your love

don't let me down (don't let me down)
i couldn't take much more of your love
don't call me up (don't call me up)
I'm so sick and tired of being down

Don't let me down (don't call me up)
I'm so sick and tired of hanging up
don't call me up (don't let me down)
I couldn't take much more of your love
