

Ozomatli, Here We Go

So here we go ma no need to panic
Let's take a little trip and play pool with the planets
In outer space I'll feed you pomegranate
Of course you can fly the spaceship its automatic
"i-e, i-e" - that's what she cried when her perm got messed up because of hyper drive
We don't need them other folks bones
We got our own light speed, like, rrrrrmmm, ruh, rrrrrrm
