Ozzy Osbourne, Bombers Can Open Bomb Bays

listen my son
one thing i've learned and I know it
bombers can open bomb bays
love all you can
in this precious thing called your own life
rember bombers can open bomb bays
might you meet somebody
that has your mothers eyes and smile
might you meet them
don't blow them away
don't hurt them
just hold them
make someone happy
the things you do
it's up to you
try being happy
(and I say Ican belive it
and I do intro to bridge
I do belive
theres hope for you
ooohhhh)
(you theres hope for you 2x) bridge
