

# Ozzy Osbourne, Hero (Hidden, Untitled Track)

I don't want to be a hero,  
I don't want to ever let you down,  
No I don't want to let you down  
I can try to take you higher,  
But I don't want to wear your broken crown,  
Ya know it brings me down  
Don't think you'll ever understand me  
I don't even understand me  
Don't have the power to annoint you  
And I don't want to disappoint  
The fools no more  
The fools no more  
I couldn't answer all your questions,  
And if your're lost  
I couldn't find your way  
I couldn't find your way  
You know you have to face the music,  
You change your tune  
And don't know what to play,  
So don't you run away  
Everybody's talking crazy  
Some think I am a dare  
And I may be  
I don't want to hear about it  
Don't want to have to scream and shout at  
The fools no more  
The fools no more  
So I don't want to be a hero,  
Don't want to sit upon your crippled throne,  
I've got a life of my own  
I am not your destination,  
Or a road that's gonna lead you home,  
So baby please don't go
