

# Ozzy Osbourne, Over The Mountain

(Daisley - Kerslake - Osbourne - Rhoads)

Over the mountain, take me across the sky  
Something in my vision, something deep inside  
Where did I wander, where d'ya think I wandered to  
I've seen life's magic astral plane I travel through

I heard them tell me that this land of dreams was now  
I told them I had ridden shooting stars  
And said I'd show them how

Over and over, always tried to get away  
Living in a daydream, only place I had to stay  
Fever of a breakout burning in me miles wide  
People around me talking to the walls inside

I heard them tell me that this land of dreams was now  
I told them I had ridden shooting stars  
And said I'd show them how

Don't need no astrology, it's inside of you and me  
You don't need a ticket to fly with me, I'm free, yeah

Over and under, in between the ups and downs  
Mind on a carpet, magic ride goes 'round and round  
Over the mountain, kissing silver inlaid clouds  
Watching my body disappear into the crowd

Don't need no astrology, it's inside of you and me  
You don't need a ticket to fly with me, I'm free, yeah
