

# Ozzy Osbourne, So Tired

(Osbourne)

Time has come to say goodbye  
I know it's gonna make you cry  
But you belong to another my love  
And half a love, that just isn't enough

I am so tired (so tired)  
And I just can't wait around for you  
I am so tired (so tired)  
And I always thought we'd see it through, yeah

I've waited all this time for you  
Believed your promises were true  
I keep believing that you mean what you say  
Be my tomorrow, now tomorrow's today

I am so tired (so tired)  
And I just can't wait around for you  
I am so tired (so tired)  
And I always thought we'd see it through, yeah

And I often sit and wonder why  
You're not with me tonight  
I stayed at home remaining true  
While you do what you want to do, yeah

And I often sit and wonder why  
You're not with me tonight  
I stayed at home remaining true  
While you do what you want to do

I am so tired (so tired)  
And I just can't wait around for you  
I am so tired (so tired)  
And I always thought we'd see it through, yeah

So tired, so tired  
So tired, so tired  
So tired, so tired, yeah
