

# P. Diddy, Come To Me (ft. Nicole Scherzinger)

It's bad boy bitch

Do it to it

P- It feels good to be back, I missed ya  
Relax ya mind, let your conscience be free  
and I'm rolling with the sounds of BBE

(Do it to it)

you know what time it is  
report to the dance floor

N- It's bad boy bitch

P- Talk to 'em

See you at the corner of my eye,  
Leanin on the wall, lookin' fly

(I) I (Want) want (You) you (To) to (Come) come  
(Be) be with me

you're the only one I wanna, talk to  
but I don't wanna rush,

I am here and will u make your move

I see you, I am me, I want cha, why don't cha  
come to me, I can be, what you need oh baby  
Im standin', been waitin', Im yearnin im burnin

Come to know me

Wanna come, come get to know me

Come to show me (Repeat)

Show me you wanna know me

You know what it is

Im back in the buildin

You know who it is

security strapped, still stackin a million

Its double the stallion, somethin Italian

Or maybe Puerto Rican, you can catch me in Paris

Im in it to win it, I'm willin to carry

The game, if you think im not Look at you carriage

Pop up clean about in a Phantom

The people go screamin like an opera anthem

I did it before

Id do it again

I got it to blow, got it to spin

Lies before, cool as the wind

Got hits go back like juice 'n' jin, yeah

Shine the best and diamond necklace

My extravagant taste, the style perplexes

They know im the shit, they wanna get next

Thats why she had a fit cuz she wanted to get next to his

I'm here, when will you make your move

I see you, I am me, I want cha, why don't cha

come to me, I can be, what you need oh baby

Im standin', been waitin', Im yearnin im burnin

Come to know me

Wanna come, come get to know me

Come to show me (Repeat)

Show me you wanna know me

Anywhere I care

They all stop and stare

Admire your body language speak loud and clear like

N- I WANT YOU TO COME BE WITH ME

She be waitin, anticipatin for oh so long

Fantasising wild thoughts of me comin on like

N- I'M HERE WHEN WILL YOU MAKE YOUR MOVE

she diggin my style, my swag, my suede, my swirve

My way with words, the Boys absurd for sure

You cant fall till my aura call

I make miracles like I walk on water

What cha want mama order
