P Diddy, Do You Know?

Then, there are the times in my life When I feel, trapped Feel there's, no way out No escape To be honest, I don't know where my life is goin Where I'll end up at I just don't know Verse One: Puff Daddy I looked back and saw the cat focus, took notice Stayed away from the bogus, til his rise began Phillies stacked his grand played the brokest til he seemed hopeless, soon to be the dopest, cat comin Track stunnin, fame singin, his name ringin Money starts to pile, honeys start to wild Top notch drop top make everything he drop hot He dream, visualize, plot and scheme Got the cream legally without the beam Witcha fire eye drive slow, 8-5-0 Jet black tint still, they might know Who the cat controllin the strings of rap and R&B Trapped inside of a movie starrin me, so far Chorus: repeat 2X
