

P. Diddy ft. Keri Hilson, After Love

[Keri:]

Yeeyeeah Ooh Ooh Ooh

Yeeyeeah Yeeyeah

I Used To Move Around,

I'm Feeling Kinda Stuck These Days (Because Of You)

And I'd Be On The Highway,

If Only I Could Leave My Place (Because Of You)

I Used To Be A Talker

But I Ain't Got Nothing Good To Say (Because Of You)

And I Be Trying To Hide But Its Written All On My Face

So I...

I Really Thought You Were The One, The Only One

I Guess That I Was Wrong

Then You Turned Out You Wasn't It

The Opposite

Of Everything I Thought, So...

What Do You Do After Love?

(After Love)

What Can You Say When It's Said And Done?

(Nothing At All)

Cuz U Can't Hide A Heart Break

(Yea I know)

And You Can't Stop These Tears From Falling Down

So What Do You Do? What Do You Do?

(What Do You Do) After Love?

(After Love)

[CHORUS]

After Love, (Ooh Ooh)

After Love,(After Love It Hurts So Bad)

After Love

After Love,(Uh Huh)

After Love

[P-Diddy:]

Yea Uh Uh

I Remember That First Day

That I Saw Her Face

The Feeling I Had Sorta Felt Like My Birthday

Beautiful I Must Say

She Was My Earthquake

Cute Face, Nice Shape,

She Made My Earth Shake

I'ma Tryna And Keep The Faith,

Do It Like The Church Say

She The One For Me And I Don't Care What Him Or Her Say

Thought I Had A Home Run

But I'm Just At First Base

I Found Out In The Long Run

Just Another Heart Break

So How Much Can My Heart Take

You Was Like Air To Me

You Know I Wouldn't Leave

I Needed You To Breathe

See Life Is But A Dream

So Is Love And I Believe

If You Ever Been In Love

You Would Know What I Mean

Yea, So Lord Help Me Please

I Wanna See The Light

She Keep Telling Me I'm Wrong

But I Know I'm Right

I'm Tryin To Ignore

Cuz I Don't Wanna Fight

I Know I Make Mistakes

But Still I Need Her In My Life

[Keri:]

Tell Me How I'm Supposed To Heal This Open Wound (Because Of You)
And Tell Me Who Woulda Thought That I'd Ever Be Trying To Get Over You
Im Stuck In The Moment, Of Memories Of Me And You...
And I Can Get Over It, But I Ain't Sure If I Want To...
Cuz You Have Made Your Bed, Now U Gotta Lie In It
(U Gotta Lie In It Babe)
Now All The Things U Said Don't Mean A Thing
(Don't Mean A Thing To Me No)
I Can't Believe I Gave U One - Last - Shot
I Let It Ride Now Baby It's - Your - Stop
Ohh so silly..now jokes on me
It Took A While To Finally Come To My Senses
But What...?
What Do You Do After Love? (Ooh Ooh)
What Can You Say When It's Said And Done?
(When It's Over, Oh)
Cuz U Can't Hide A Heart Break (Yea I Know)
And You Can't Stop These Tears From Falling Down(I can't stop this tears)
So What Do You Do? (Ooh Ooh)
What Do You Do After Love?
(After Love, Baby)
After Love.

[P-Diddy:]

Yea I Know U Hear Me
Listen To Me, Please
But This Is What You Need To Do
Pay Attention
She Know Who I'm Talking To, And I Know U Listening
I Think About You All The Time, If Not Every Minute
I Promise, Hurting You Was Never My Intentions
It's Something Bout Your Style, The Way That U Present It
Every Fantasy I Ever Had You Was In It
I Apologize, For Every Time That You Might Have Cried
There's Not Enough Words To Describe How I Feel Inside
Guardian Angel Sent From The Skies
I Always Knew You Woulda Made A Beautiful Bride
And That's Why
I Wish You Coulda Stayed So Much
But I Fucked Up
And Went And Betrayed Your Trust
You Know, There's No More
Dolce And Gabbana, Gucci, Prada, Trips To Nevada
And I Admit What You Heard Is Probably True
But Outta All These Girls The Only One I Love Is You
I Love You

[Background talking]
