

P Diddy, I'll Be Missing You

Verse One: Puff Daddy

(Yeah... this right hear... goes out to everyone who has lost someone they truly love)

Seems like yesterday we used to rock the show

I laced the track, you locked the flow

So far from hangin on the block for dough

Notorious, they got to know that

Life ain't always what it seem to be (uh-uh)

Words can't express what you mean to me

Even though you're gone, we still a team

Through your family, I'll fulfill your dream (that's right)

In the future, can't wait to see

If you open up the gates for me

Reminisce some time, the night they took my friend (uh-huh)

Try to black it out, but it plays again

When it's real, feelings hard to conceal

Can't imagine all the pain I feel

Give anything to hear half your breath (half your breath)

I know you still living your life, after death

Chorus: Faith Evans

Every step I take, every move I make

Every single day, every time I pray

I'll be missing you

Thinkin of the day, when you went away

What a life to take, what a bond to break

I'll be missing you

[Puff] I miss you Big

Verse Two: Puff Daddy

It's kinda hard with you not around (yeah)

Know you in heaven smilin down (eheh)

Watchin us while we pray for you

Every day we pray for you

Til the day we meet again

In my heart is where I'll keep you friend

Memories give me the strength I need (uh-huh) to proceed

Strength I need to believe

My thoughts Big I just can't define (can't define)

Wish I could turn back the hands of time

Us in the 6, shop for new clothes and kicks

You and me taking flicks

Makin hits, stages they receive you on

I still can't believe you're gone (can't believe you're gone)

Give anything to hear half your breath (half your breath)

I know you still living you're life, after death

Chorus

Every step I take, every move I make

Every single day, every time I pray

I'll be missing you

Thinkin of the day, when you went away

What a life to take, what a bond to break

I'll be missing you

[Faith Evans] Somebody tell me why

Interlude: Faith Evans

One Black Morning

When this life is over

I know

I'll see your face

Outro: 112

Every night I pray, every step I take

Every move I make, every single day

Every night I pray, every step I take

[Puff] Every day that passes

Every move I make, every single day

[Puff] Is a day that I get closer

[Puff] To seeing you again
Every night I pray, every step I take
[Puff] We miss you Big... and we won't stop
Every move I make, every single day
[Puff] Cause we can't stop... that's right
Every night I pray, every step I take
Every move I make, every single day
[Puff] We miss you Big
Faith Evans:
Every step I take, every move I make
Every single day, every time I pray
I'll be missing you
Thinkin of the day, when you went away
What a life to take, what a bond to break
I'll be missing you
Every step I take, every move I make
Every single day, every time I pray
I'll be missing you
Thinkin of the day, when you went away
What a life to take, what a bond to break
I'll be missing you
Every step I take, every move I make
Every single day, every time I pray
I'll be missing you
Thinkin of the day, when you went away
What a life to take, what a bond to break
I'll be missing you
