

# P Diddy, Satisfy You

Satisfy You

[Puffy]

All I want is somebody who's gonna love me for me  
Somebody I can love for them  
All this money don't mean shit  
If you ain't got nobody to share it with  
Love rules the world, you feel me

1 - [R. Kelly]

He don't understand you like I do  
No he'll never make love to you like I do  
So give it to me  
Cause I can show you 'bout a real love  
And I can promise anything that I do  
Is just to satisfy you

[Puffy]

When it hurt I ease the pain, girl  
Caress your frame, get them worries off your brain, girl  
I'm in your corner do what you want it's your thing, girl  
OPPOSITES ATTRACT, but we one in the same, girl  
It ain't a game so I can't play with you  
I wanna lay with you, stay with you, pray with you  
Grow old and gray with you  
In good and bad times we'll always make it through  
Cause what we got is true  
Nomatter what they say to you  
I can straight lace you, not just appearance  
Stimulate your mind, strengthen your spirits  
Be the voice of reason when you ain't tryin' hear it  
You want it but you fear it, but you love it when you near it  
Sit her on the sofa get a little closer  
Touch it right, do it like a man's supposed to  
Knew you was the one, that's why I chose ya  
Cause you get down for yours and ride like a soldier  
Repeat 1

Your soul ain't a toy, you ain't dealin' with a boy  
Feel emptiness inside? I can fill that void  
When you spend time with your woman and listen  
It shines more than any bagguette diamond can glisten  
I can't impress you with the cars and the wealth  
Cause any woman with will and drive can get it herself  
I'd rather show you it's heartfelt, make your heart melt  
And prove to you you're more important than anything else  
Worthwhile, special like my first child  
When I see your face it's always like the first time  
Our eyes met, I knew we'd be together and they tried yet  
I wanna give you things that I didn't buy yet  
Hold you, mold you, drink no liquor, show you  
Ain't no tellin' what we could grow to  
Let it be known, I told you  
And I'mma be there for whatever you go through, my love's true  
Repeat 1

[R. Kelly]

Don't let him sing you a sad song (No baby)  
Waiting for love like this too long  
(You don't have to wait, you don't have to wait on him, baby)  
All that you need I can give you  
(You don't have to wait, you don't have to wait on)  
I do, satisfy you  
(You don't have to wait on him)

[Puffy]

I'm the light when you can't see  
I'm that air when you can't breathe  
I'm that feeling when you can't leave

Some doubt, some believe, some lie, cheat, and deceive  
So it's only you and me  
When you weak, I'll make you strong, here's where you belong  
I ain't perfect, but I promise I won't do you wrong  
Keep you away from harm, my love is protected  
I'll wrap you in my arms so you'll never feel neglected  
I'll just make you aware of what we have is rare  
In the moment of despair, I'm the courage when you're scared  
Loyal, down for you, soon as I saw you  
Wanted to be there cause I could hold it down for you  
Be around for you, plant seeds in the soil  
Make love all night, bending bed coils  
You're a queen, therefore I treat you royal  
This is all for you, cause I simply adore you  
Repeat 1 until fade  
[Puff]  
This one right here goes out to all my sisters
