

# P Diddy, Seniorita

Seniorita

[singing by India]

Sabes bien que fue un engaño  
lo que me hiciste fue un pecado  
asi mismo me engañoaste (~ substituted for the spanish n)  
translation: You know well it was a lie  
what you did to me was a sin  
that's the way you betrayed me....

Verse One: Puff Daddy

Honey I keep you hot and wet, just flooded with ice  
And you can spend all day and chill, all night  
Come sleep with the king, peep what I bring  
Every few weeks it's a bigger size ring  
Carats ain't nuttin when the cabbage ain't nuttin  
I got habits like goin to Paris I ain't frontin  
You can never need for nuttin, only one pipe  
Would you like to go to dinner, wit Jordan and his wife?  
Am I moving fast? It could happen real soon  
Thousand dollar shoes, dance in ballrooms  
You know the dress, that got the party impressed  
You'll only wear it one time, cause the world is mine  
I try to address it, but you never get the message  
You the water in my life and I'm trapped in the desert  
I never seen a honey sweeter, won't stop  
till I get her cause I need her, my seniorita

Chorus: Puff Daddy (singing)

Mami ven aqui, I wanna be your  
papi chulo can't you see? (mi amor)  
Baby I need you conmigo  
Your style is my steelo te necesito yo aqui  
(te necesito yo a ti, te amo)

Baby come to me (2X)

Verse Two: Puff Daddy

Her name is Carmen, she live down in Spanish Harlem  
And I think I have the key to her secret garden  
When I seen her, I used to want to beg her pardon  
But I was scared, I ain't really have the heart  
And when she walked by, I would panic, even though  
I was cool with her pops Lou, the mechanic  
Went to school with her brother, that's right  
I never could build up the words to express how I loved her  
Long hair, pretty face, slim waist  
The kind that you marry and take to another place [India sings again]  
and exchange vows, spend thous  
Make love in a hot tub, where there's a hot towel  
She'll be loyal without being spoiled  
You can shuck all you want but she's still gonna ignore you  
Makes no sense to say mira  
Cause bet she won't turn him around, she's my seniorita

Chorus

Verse Three: Puff Daddy

I rock regular clothes, as well as Gucci too  
And if you don't believe me, ask Groovy Loo  
You're beautiful, so I stay true to you  
I think you oughta see things like Bermuda boo  
No cooperation, got me walkin around pacin  
Patient, waitin for my day of penetration  
Your relationships is bullshit, your man is a prick  
with a little bit of bricks and a whip baby  
Please, I got plenty of V's  
What you want the pink C-2, or the yellow 3-2-5  
That's when I opened my eyes  
I was dreamin, damn it was all a surprise

But it felt real, I hopped up in a wet chill  
Yet still gotta keep this one concealed  
Even though I never got a chance to meet her  
I still need her, cause she's my senorita
