That you've never felt before
Come on

Let's rock

""Mika Lett""

Why don't you let me
Give you this special feeling
When I saw you it was like
The kinda feelin' that'll make you feel so real
Seein' somethin' I never really saw before
It's hard to get that feelin' that I feel
Hard to get that feelin' that you make me feel
The kinda feelin' that'll make me feel so real.

""Diddy""

But I got some game to spit to you

If I take you out on a date
You'll feel real special and great
So why don't we just formulate a plan and meet up at a special place
That sounds cool
