

# P!nk, WHAT ABOUT US

We are searchlights, we can see in the dark  
We are rockets, pointed up at the stars  
We are billions of beautiful hearts  
And you sold us down the river too far

What about us?  
What about all the times  
You said you had the answers?  
What about us?  
What about all the broken happy ever afters?  
What about us?  
What about all the plans that ended in disasters?  
What about love? What about trust?  
What about us?

We are problems that want to be solved  
We are children that need to be loved  
We were willing, we came when you called  
But man you fooled us, enough is enough

What about us?  
What about all the times  
You said you had the answers?  
What about us?  
What about all the broken happy ever afters?  
What about us?  
What about all the plans that ended in disasters?  
What about love? What about trust?  
What about us?

What about us?  
What about all the plans that ended in disasters?  
What about love? What about trust?  
What about us?

Sticks and stones, they may break these bones  
But then I'll be ready, are you ready?  
It's the start of us, waking up come on  
Are you ready? I'll be ready  
I don't want control, I want to let go  
Are you ready? I'll be ready  
'Cause now it's time to let them know  
We are ready, what about us?

What about...  
What about us?  
What about all the times  
You said you had the answers?  
So what about us?  
What about all the broken happy ever afters?  
What about us?  
What about all the plans that ended in disasters?  
What about love? What about trust?  
What about us?

What about us?  
What about us?  
What about us?

What about us?  
What about us?  
What about us?
