P.O.D., Revolution

More calm than a heartbeat that flat lines
Quiet like a dark street under the moonlight
A phrase of action that's been screamed by the guts of men,
Ever since they're first experienced
Injustice, prejudice, discrimination
A word louder than a gunshot
And softer than a baby's laugh, it will pass
Just like it always has. Until it spits of the lips
The next man who's had it up to here.
