## P.O.D., Teachers

Imperial, Righteous respects, cause we ain't done yet

Lock it down, and overthrow all the pilots And get out of town, can you see them smiling Blisters, these bones are breaking Whispers, are louder than screaming And we suffer this moment until the day is coming That we'll reign forever!

Training Day! Cause I man is coming and we are the Teachers Training Day! We been through the fire cause we're pioneers Training Day! The soul of the lion, Jah love for the bleeding Training Day! Warrior soldiers, we still believe you!

Crawling through poison I lay My soul still flies with broken wings and the sun is blinding, I can't stop staring I don't wanna close my eyes Righteous respects, and it's the best kept secret And I can let go of my burdens that keep me from living so I can start dying
