

# Pacifier, My Mind's Sedate

I trust the police and the government  
Such down corporate sentiment  
Home for dinner, watch TV  
Caught in the middle of a shopping spree

My mind's sedate (8x)

Home entertainment and a boring car (my mind's sedate)  
If I tried to run I wouldn't get that far (my mind's sedate)  
Extract the venom, spit it over my shoulder (my mind's sedate)  
I'm the victim of a Sally Make-Over

My mind's sedate (8x)

You can't run away if you don't have a brain  
Deal with it

It's alright (9x)

I trust the police and the government  
Such down corporate sentiment  
Home for dinner, watch TV  
Caught in the middle of a shopping spree

My mind's sedate (8x)

You can't run away if you don't have a brain  
You gotta deal with it  
You gotta deal with it  
My mind's sedate (4x)
