

# Paddy Kelly, Money Making Machine

a girl ran away at ten years old  
too much violence in  
her household  
then a man drove by offering candy  
no one heard her cry please help me  
you can trade a child for money  
through the internet or on the street of Bali  
just tell me how far must mankind go  
before the end of war between the good  
and evil  
poor, poor, poor, poor, poor little girl  
poor, poor, poor, poor innocent girl  
poor, poor, poor, poor, poor little girl  
money making machine  
call an angel a little child is in danger  
cause she's hidden in, hidden in  
circles of paedophiles  
money making machine  
call an angel a little child is in danger  
cause she's hidden in, hidden in  
circles of paedophiles  
money making machine  
every soul is sacred  
and it's  
a mortal crime when  
we break it  
there's so much to be said on this subject  
of children brought  
to death  
after used as objects  
poor, poor, poor,  
poor, poor little boy  
poor, poor, poor, poor innocent boy  
poor, poor, poor, poor, poor little boy  
money making machine

cause he's hidden in, hidden in  
circles of paedophiles

cause he's hidden in, hidden in
