

Paabo Bryson & Roberta Flack, Tonight I Celebrate

Tonight I celebrate my love for you
It seems the natural thing to do
Tonight no one's gonna find us
We'll leave the world behind us
When I make love to you
Tonight I celebrate my love for you
And hope that deep inside you feel it too
Tonight our spirits will be climbing
To the sky lit up with diamonds
When I make love to you tonight
Tonight I celebrate my love for you (ooh)
And that midnight song is gonna come shining through
Tonight there'll be no distance between us
What I want most to do
Is to get close to you tonight
Tonight I celebrate my love for you
And soon this old world will seem brand new
Tonight we will both discover
How friends turn into lovers
When I make love to you
Tonight I celebrate my love for you (ooh)
And that midnight song is gonna come shining through
Tonight there'll be no distance between us
What I want most to do
Is to get close to you
Tonight I celebrate my love for you
