

Paffendorf, On And On

Back to Basics
where we started

power to the people

keep it on
keep it happen

add somebody
reach somebody

power to the people

Refrain:
on and on an on together
don't change your mind
on and on an on forever
leave it all behind

add somebody
reach somebody

Refrain

on and on an on and on... forever

back, where we started

add somebody
reach somebody
